Wildfire Evacuation Workshop

This 90-minute workshop for adults is geared to community groups of 10-30 houses, such as a road or a neighborhood that would benefit from planning evacuations together. Learn about wildfire evacuation preparedness, planning, resources and execution in your area. Get to know your neighbors and help each other to be safer! See our **"Why Go Firewise?"** presentation for neighborhoods that are interested in becoming recognized by Firewise USA.
